

Publishing Hotels.xml in <http://www.public.asu.edu/>

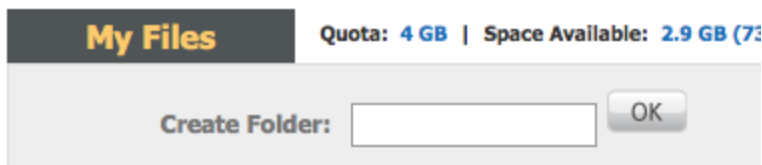

Step 1: Login to my.asu.edu (not the blackboard). From the left hand side corner, you will select my files as shown below

Step 2: Then select www folder. If you do not have a one, you can create one using the create folder option at the top of the web page

(use this to create the www folder if you do not have one)

Step 3: Upload your XML file there using the upload option. Your URL will look similar to the following

<http://www.public.asu.edu/~yourasurite/Hotels.xml>
